PETITION FOR EARLIER MAILING DATE

SIR:

Applicants enclose herewith an Express Mail Envelope addressed to
Box Patent Application, Assistant Commissioner for Patents, Washington, D.C.
20231, hand delivered to the U.S. Postal Office on November 20, 2001 and
returned to our offices on November 26, 2001 due to postal service interruption.

Applicants' Express Mail Envelope enclosed an Application for
Utility Patent and Transmittal papers thereof for the above-identified application.

Applicants were not aware of the postal service interruption when originally mailing said documents and therefore, respectfully request the Examiner to grant the earlier and timely filing date of November 20, 2001 as evidenced by the handwritten acknowledgement of the US Postal Office.

Applicants believe no additional fees other than those included with the Application for Utility Patent are required at this time, however, please charge our Deposit Account, No. 13-0235, for any remaining deficiency in payment of these fees.

Respectfully submitted,

By
